

# The Bahamas Marine Mammal Research Organization

BMMRO's mission is to promote conservation of marine mammals and their habitats through scientific research and educational outreach.

## When and Where is the Internship?

The internship is located at The Bahamas Marine Mammal Research Organisation Research Center in Sandy Point, Abaco. The following openings are available\*:

1-15 July

1-11 July

23-30 July

15-30 July

15-30 July

\* Residents of Sandy Point may apply for any dates in July.

## Who may apply?

Preference will be given to Bahamian students age 16 or older, though all applications will be considered. The student needs to be able to swim, should feel comfortable on the water, and needs to be willing to help out with all aspects of field research. Interns will be required to give a presentation on marine mammals while at the research station.
